## Notice

Some features of the product and its accessories described herein rely on the software installed, capacities and settings of local network, and therefore may not be activated or may be limited by local network operators or network service providers.

Thus, the descriptions herein may not exactly match the product or its accessories which you purchase. Shanghai Mobiletek Communication Ltd reserves the right to change or modify any information or specifications contained in this manual without prior notice and without any liability.

## Copyright

This document contains proprietary technical information which is the property of Shanghai Mobiletek Communication Ltd. copying of this document and giving it to others and the using or communication of the contents thereof, are forbidden without express authority. Offenders are liable to the payment of damages. All rights reserved in the event of grant of patent or the registration of a utility model or design. All specification supplied herein are subject to change without notice at any time.

## DISCLAIMER

ALL CONTENTS OF THIS MANUAL ARE PROVIDED "AS IS". EXCEPT AS REQUIRED BY APPLICABLE LAWS, NO WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE MADE IN RELATION TO THE ACCURACY, RELIABILITY OR CONTENTS OF THIS MANUAL.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL SHANGHAI MOBILETEK COMMUNICATION LTD BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES, OR LOSS OF PROFITS, BUSINESS, REVENUE, DATA, GOODWILL SAVINGS OR ANTICIPATED SAVINGS REGARDLESS OF WHETHER SUCH LOSSES ARE FORSEEABLE OR NOT.

# 1 About this document

## 1.1 Scope of applications

This document describes the basic specifications of the L508 Module EVB (hereinafter referred to as the L508) series product electrical characteristics, design guidance and hardware interface development guidance. Users should design according to this document requirement and guidance.

This document is only applicable to the application development of L508 series products.

## 1.2 Writing purpose

This document provides the design and development basis for the module product user. By reading this document, the user can have a whole understanding our products, technical parameters have a clear understanding of product, and on by reading the basis of this document user can help user complete 4G IoT wireless Internet access products or equipment application development.

This hardware development document not only provides the function of product features and technical parameters, also provides product reliability test standard, business function and related implementation process, the RF performance and circuit design to guide the user. All are giving users a more comprehensive design reference.

This document describes the hardware interface of the L508 module EVB, can help user to quickly understand L508 EVB interface specifications, electrical and mechanical details, with the help of this document users can use L508 serial module to design and set-up various types wireless terminals.

## 1.3 Support and reference documentation list

In addition to the hardware development documentation, we also provide the development board

operation instruction manual and software development instruction manual based on this product.

Table 1-1 is support for the list.

Table 1-1 Support document list

No.	Document
1	《L508 AT Command User Guide》
2	《L508_Hardware_Design》
3	《L508_EVB_user manual》
4	《L508 Schematic checklist》
5	《L508 Layout checklist》
6	《L508_Reference Design.pdf》
7	《L508_xx_DECAL.sch》
8	《L508_xx_DECAL.PCB》

## 1.4 Abbreviations

Table 1-2 is the relevant abbreviation and English interpretation of the whole document.

Table 1-2 Abbreviation

Abbreviation	Full name in English
ESD	Electro-Static discharge
USB	Universal Serial Bus
UART	Universal Asynchronous Receiver Transmitter
SDCC	Secure Digital Card Controller
